

## 2011-12 MOMSnext of ABE Financial Information

Your MOPS fee is \$32.00, which includes the local group fee as well as the MOPS International fee. Your MOPS international registration this year will include a reusable shopping bag, iron-on MOPS logo, Veggie Tales stickers, MOMSnext E-zine, and a weekly Mom E-mail.

We recommend that you pay all fees upfront. However, MOMSnext of ABE does understand that your financial situation may not allow this. In recognizing this, we have payment options available. Please speak with the Finance Coordinator if you need to make arrangements for payment. By paying as soon as possible, you are also helping the steering team plan for next year.

If your financial situation is such that you are unable to pay the fees, you may request a scholarship. Please fill out a scholarship application as soon as possible, which is available from the Finance Coordinator.

We understand there are unique circumstances at times and encourage you to speak with a Coordinator or Finance Coordinator at anytime if your current financial status would change. All financial information is kept confidential.
